Liza Gingrich will be coming in on some Thursdays to do crafting with us – so watch your calendar.

The APPRISE counselors from the York County Area Agency on Aging will be visiting the centers on the third Tuesdays of each month to offer free and impartial information and assistance with Medicare benefits, Medicare Advantage Plans, Medigap policies, Medicare prescription benefits, long-term care insurance and programs that can save you money with your health care expenses. To schedule an appointment, call the senior center.
